

Because we are now trying **to appreciate and respect the copyright**. So from April 2011, **ebookengineer.com** website, will not provide a download link e-book, directly. we only review and sell e-book.

*--But if you really need a e-books and **do not have the money to buy**. We give tips to be able to download the e-book.--*

How to get link download:

Type in **google.com** → "site:(website file sharing).com title (keyword)"

For more details *how to get the link download*, please visit our tutorial:

<http://ebookengineer.com/download-ebooks-free>

*For the e-book you are looking for, copy **the link** below. You'll find the download link:*

<http://library.nu/docs/VXQDPLZTWJ/House%20Rating%20Schemes%3A%20From%20Energy%20to%20Comfort%20Base>

If you need to login, you can use our account or you can register your self. (note : don't change our account on this site, because it use for other people) thanks.
